

The Welbourne Ripple

Pool Updates

Zoning requirements have changed since our current pool was created so we have to submit a request to Liberty Township to construct a new pool and kiddie pool. This is a requirement even though the new pools would remain in the same place and same size as the current ones. This request will ensure that site plans and construction proposals are accurate and approved by the township prior to presenting to the neighborhood. The township will place a sign near the pool referencing this request.

We are in the process of finalizing quotes and, subject to a favorable recommendation from Liberty Township, the pool committee will be presenting all of the details to the neighborhood. Please save the date of Monday, September 18, 2017 at 7:00 P.M. location TBD.

Timeline

- Get Liberty Township approval for proposed site plan.
- Present approved site plan and construction estimates to Welbourne Manor community Monday, September 18, 2017 at 7PM location TBD.
